2 ▼ Hotel Harrington is proud boys HQ. JW Marriott is where the MAGA influencers stay. Anywhere near Trump hotel is good.

1 ▼ If I were to go (idk, I still might, but on the West Coast and may instead try to participate or organize something locally), I would buy an inexpensive RV and stay in it. Or rent one, there are plenty of deals on craigslist, for instance. Maybe rent a car or just cab around but stay outside of DC.

1 ▼ Appreciate the sentiment, but you'll find no where safe to park it within an hour of DC.

1 ▼ There is public transportation, isn't there? Besides that, carpooling can be easily coordinated, m hiring busses or vans, something of the sort. ✓

The few times I've been to DC, driving in was a nightmare, and if a couple of million people descend
